Brinks Bull Sale Breaks Industry Records.

The 1983 Brinks Bull Sale was the first of any breed to exceed \$2 million. Showing the strength of the Brangus Breed, 69 buyers purchased 85 lots for an average price of \$25,682. Total sales grossed \$2,182,950 setting many records.

Buyers from 16 states and Mexico included Brangus breeders purchasing herd sire prospects for their registered Brangus herds; Angus breeders purchasing certified 1/4 blood bulls (1/4 Brahman, 1/4 Angus) to breed to their registered Angus females to produce first generation Brangus (1/2 Brahman, 1/2 Angus); and commercial cattlemen purchasing Brangus and 1/4 blood bulls

for their commercial herds. The demand for Brinks genetics was greater than ever from all segments of the cattle industry. More important, this demand showed the direction the commercial cattle industry has taken in the last few years in the purchase of Brangus breeding stock.

This is Brinks Brangus 15th year of breeding purebred Brangus cattle. They wish to invite all cattlemen interested in Brangus, from throughout the United States, to attend and help them celebrate their 15th Anniversary dinner, sale and dance.

BRINKS 15TH ANNIVERSARY SALE

Saturday, June 11, 1983

Never before in the history of the Brangus breed has such a powerful group of females been offered in a production sale.

Many of the females selling in Brinks Brangus 15th Anniversary Sale are the dams, grand dams and maternal sisters of the bulls that sold in Brinks' record setting \$2 million bull sale.

Included are the dams, grand dams and sisters to the current, reigning 1983 International Grand Champion Bull, Extra of Brinks and the 1983 International Grand Champion Female, Miss BB Tiny 302N6

The Sale will be held at Shelton's Comanche Trace Ranch in Kerrville, Texas at 6:30 p.m. Shelton's Comanche Trace is located 1.3 miles south of the junction of Loop 534 on Highway 173. Brinks Brangus 15th Anniversary Sale will be held during Brangus Days in the Hill Country which includes the International Futurity, The Miss America Sale and Top of the Crop Sale.

BLESS & BURN, TH' REAL DEPRESSION

Those of us who grew up durin' th' Great Depression have for many years had a great deal of fun tellin' each other about jist how it was in them Good Old Days and we speculate on jist how the past couple of generations would react if they ever were exposed to really tough times like th' early 1930's. Occasionally some of th' present crop of folks to th' livestock business eye us, with about th' same suspicion they would a snake oil peddler when we remind 'em of times when slaughter cows sold for 15 cents or 25 cents per hundred and times when Fort Worth commission men debated what to do about a load of cows from a distance from market arrived and were sold and th' railroads, of course, skimmed off their freight first and there was jist enough money left to pay yardage and commission, but th' problem was whether they had nerve

John Armstrong Is Named For Golden Spur Award

Lubbock - John B. Armstrong, executive vice president of the King Ranch in Kingsville, Texas, has been named 1983 recipient of the National Golden Spur Award.

The award is presented annually to the individual who has made significant contributions to the ranching and livestock industry in both humoultic and sciolitic ways.

Armstrong will be the sixth to receive the coveted Staube-designed gilded OK spur encased in a crystal presentation piece. He will be honored during the National Golden Spur Award and Friebe Party Sept. 16 to 18.

Sponsor for the national award are the American National Cowbelier, the American Quarter Horse (AQHA), National "Outlaw" (NCA), National Wool Growers, Rangeland Heritage (RHA), Texas Sheep and Goat Raisers and the Texas and Southwestern Cattle and Horse Associations.

A committee representing each association helped select Armstrong as honoree by the Texas and Southwestern Cattle Raisers Association. The announcement was made by Harold P. "Bo" Brown Jr., chairman of the Rangeland Heritage Association.

Fed Cattle Mostly Lower, Hogs Posted Gains On Monday

At the central markets on Monday the trade on fed steers and heifers was lower at most of the markets. Market supplies were a little higher than a week ago and the estimated cattle kill Monday was 2,000 above a week ago and about 8,000 larger than a year earlier. Buyers were cautious although the early returns on the carcass beat trade indicated mostly steady prices. Slaughter cows at these markets were mostly steady or beat and a few points were lower and bulls were little changed. Hogs firmed steady to sharply higher prices, especially in the western market. Monday's market supplies were

Heavier, Fleshier Feeders With Feedlot Buyers as Quarters Feed Costs, Long Term Market

BY TED GOULDY.

The first big test of the market for feeder cattle coming off wheat took place Monday at the Amarillo livestock market when an estimated 18,000 head for a three-day sale was reported. Menager Phil Fletcher told The Weekly Livestock Reporter Tuesday morning that it appeared the brook in the feeder prices established Monday appeared to be about the extent of the decline for the present. "The attitude of the buyers was this adjustment appeared to get prices about to line with the demand," Fletcher said, and little if any additional weakness was anticipated. The movement off wheat is expected to peak in the next two or three weeks all over the wheat belt.

The fleshier feeders were moving to better advantage than the lighter and thinner kinds, Fletcher reported, which apparently indicated that feeder buyers were offered to buy the flesh on the cattle. "There is the question of feed costs and also the idea that feeder cattle will take a shorter turn in the feedlot and perhaps the fat market will be better when the cattle are ready. The prospects long term for the lighter feeders is more of a question," Fletcher said. The following is the report from the Federal-State Market News on the

Cash Grain Prices Uneven on Monday

Austin, May 26 (F.S.) - Texas grain markets: cash offers by High Plains elevators to farmers on Monday were mixed. Wheat was mixed to lower, corn and grain sorghum steady to firm, and soybeans fully steady to higher. Prices paid to the farmer, FOB elevator as of 4:00 PM Mon., May 26. Brangus Futurity Draws Near, June 9-10-11
Excitement is rapidly generating as the "Brangus Days in the Hill Country" approaches. The events, featuring the international Brangus Futurity, are scheduled for June 9, 10, and 11, 1983 in Kerrville, Texas according to Jerry Morrow, International Brangus Breeders Association (IBBA) Executive Vice-President.
The festivities will get underway Thursday, June 9, with the Pierce Calf Fry Party at 8:30 p.m. in Hay's Park.
The highlight of the Brangus days will be the Thirteenth Annual International Brangus Futurity Show on Friday, June 10. The 8:30 a.m. show will be held at the Kerr County Fair Barn with Glen Klippenstein, Mayaville, Missouri, judging the open show cattle and Jake White, Colorado Springs, Colorado, judging the junior show futurity show cattle. Friday's events will close with the "Miss America and Western Art Sale" party at 5:30 p.m. and the sale at 8:30 p.m. at the RiverHill Country Club. The prestigious "Brangus Breeder of the Year" award will be presented prior to the sale.
A Champagne Brunch at 10:00 a.m. will kick off the activities on Saturday, June 11. The brunch will be followed by the "Top of the Crop Sale" at 11:30 a.m. with both events to take place at the Kerr County Fair Barn.
Brinks Brangus will host the largest event of the weekend, Brinks 15th Anniversary Dinner and Sale at 5:30 p.m. and 8:30 p.m., respectively. Shelton's Comanche Trace Ranch will be the site of the dinner and sale.
Headquarters for the weekend are the Inn of the Hills Motel, Kerrville, Texas. Additional information can be obtained by contacting the IBBA, P.O. Box 7655, Fort Worth, Texas 76111, phone 817/831-3147.

Simmental News

Texas Jr. Simmental Assn. Futurity Was A Huge Success

Juniors from across the state recently converged on Hillsboro, Texas to compete in the 1983 Texas Junior Simmental Association Heifer Futurity. The Futurity, held April 18 and 19, consisted of several events including a Herdman Quiz, a National Sire Summary Quiz, Judging Contest with Oral Reasons, Individual Heifer Competition, Showmanship, a Sires Presentation, and a Team Heifer Competition. The Herdman Quiz covered a broad range of questions dealing with such topics as genetics, nutrition, reproduction, herd health, and the beef industry in general. The National Sire Summary Quiz required the junior contestants to be able to read and interpret the data in the performance based Sire Summary of the Simmental breed. One of the more popular events was the Sires Presentation in which the junior contestants acted as a potential buyer, and attempted to sell the heifer to the judge. Varoon Holcomb of Houston, Texas, and Jim Williams of Houston, Texas, served as judges for the various events.

Beautiful belt buckles were presented to winners of each event in both a junior and senior division, high point overall winner in the junior and senior divisions, and reserve high point overall winner in the junior and senior divisions. Also awarded trophy buckles.

The high point team in the overall competition was made up of Michelle Mares, Malissa Rubberd, Gregory Chovene, Donnell Brown, Penny Bashom, Michelle Taylor. The junior division event winners included: Michelle Taylor - Individual Heifer Competition, Showmanship and Oral Reasons; Gregory Chovene of Caldwell - Herdman Quiz; Malissa Rubberd of Arlington - Sire Summary Quiz; Penny Bashom of Stephenville - Judging Contest; and Donnell Brown - Sires Talk.

Simmental Summer Conference Stated For July 13-15

Bozeman, MT. For the first time the American Simmental Association will hold a meeting of national representatives in Great Northwest. The organization's ninth Annual Summer Conference will be held in Pasco, Washington, July 13-15. The Rad Lion Motor Hotel will serve as headquarters. "It has long been our tradition to rotate the site of our meeting to various locations," said ASA Executive Vice President Earl B. Peterson. "The 1977 Summer Conference was held in Reno, Nevada, and the 1978 Annual Meeting and Conference was in Reno, Nevada, but this is the first time for a meeting in the Northwest section of the U.S. who reside in Oregon, Washington, Idaho and other areas states will have an opportunity to participate in discussion on current issues in Simmental cattle and ASA." Norm Hayes, ASA Trustee in Cody, Wyoming, who is Chairman of the Planning Committee pointed out that a new format will be employed in conjunction with the 1983 Summer Conference. "We are very interested in agricultural features of the state," he said. "In the past, we have had meetings around the concept of a vacation... but have changed our approach to include the farm and livestock attractions located nearby. Guided bus tours will deliver Simmental producers to such locations as feedlots, packing plants, irrigation projects, and wineries. In addition, special ladies bus tour will take in the famed woolen mills at Pendleton, Oregon.

"We are also looking forward to having a number of outstanding speakers," said Hayes. "Dr. Dexter Black, a consulting veterinarian, is one of the impressive, humorous philosophers we could ever hear. George Spence, ASA Executive Vice President of the National Cattlemen's Association, who now with Lowe Beef Packing and Dev Gaunt, General Secretary of the Right Simmental Society will also be on hand for all or some part of the Conference. Gloria Campbell, a consultant and trainer in communications will lead a ladies' workshop entitled, "The Feminine College: Today's You". Social activities, planned and coordinated by the co-hosting Oregon and Washington Simmental Association, will include a steak fry, a server breakfast and a banquet. Persons needing additional information are instructed to contact the American Simmental Association, One Simmental Way, Bozeman, MT 59711, telephone (406) 587-4531.

Simmental Youth Event Scheduled For Louisville

Bozeman, MT. Junior members of the American Simmental Association, their families and advisors will gather in Louisville, Kentucky June 12-15 for the 1983 "Summer Classic". "The Classic is the number one event of the year on our junior calendar," said Peterson. "It has been designed to combine the elements of competition, education, and recreation with other Simmental breeders and recognition for achievement. The program has proven to be both unique and effective". Planning for the event is shared by the host Kentucky Simmental Association and the American Simmental Association's Youth and Education Committee, which is chaired by ASA Trustee Jim Mitchell of nearby Georgetown, Kentucky.

"The Classic will feature team and individual competition in a variety of areas," Mitchell explained. "The schedule includes Public Speaking, a Fire Summery quiz, Judging of Livestock, a Herdman quiz, Heifer Competition, a Showmanship Contest and other related activities". "The American Simmental Association's youth program has traditionally emphasized educational and informational aspects of the beef industry," Mitchell explained. "Presently we have nearly 3,000 junior members nationwide."

Classic headquarters will be at the Executive Inn, located near the Kentucky Fair and Exposition Center, which will serve as the location for all cattle events.

Southwest Pinzgauer Association Field Day a Success

A large crowd was in attendance for the Annual Southwest Pinzgauer Association Field Day, May 14. The field day was held at the facilities of the Henderson County Beef Breeders Association in Athens, Texas. The association had four outstanding speakers for the program.

McQueen, farm and ranch reporter for KLTU in Tyler and a local beef breeder, provided significant insights into successful bull marketing. Also, McQueen spoke on beef cattle advertising and promotion. He encouraged Pinzgauer breeders to become involved in state and federal decisions that impact beef breeders in the Southwest.

W. J. Sparks III, President of the American Pinzgauer Association and member of the Board of Directors of the Southwest Pinzgauer Association, reported on the activities of the national Pinzgauer organization. He also reviewed the Pinzgauer cattle registration requirements and costs. Sparks, the only individual to be elected to a second term as President of the American Pinzgauer Association, reminded members that the National Sweepstakes has been renewed for 1983 and members do not have to be present to win. Fifty cents of each registration fee goes to the sweepstakes and will be awarded at the national show and sale in Denver, Colorado, in January 1984. Dr. Dan Scott, a Southwest Pinzgauer member, won the 1983 Sweepstakes which was \$950.

Dr. Lee McKellar, owner of the McKellar Ranch in Mt. Pleasant, Texas, outlined the history of Brahman cattle and their impact on beef production in the Southwest. He shared with the SWPA membership his views concerning modern beef marketing. Dr. McKellar also explained his embryo transplant program and how it could benefit Pinzgauer breeders.

Pinzgauer Awards Presented At Meeting

The Southwest Pinzgauer Association presented awards to three individuals at the association meeting at Athens, Texas, on May 14, 1983.

Woodie Talbot, Hi Point Ranch, New Boston, Texas, received the 1982 Premier Breeder Award. Ma. Talbot was also elected President of SWPA for 1983-84. Todd Reidhead, Soper, Oklahoma, was recognized as the Commercial Breeder of the Year. Reidhead runs 250 commercial cattle and in 1982 began using Pinzgauer bulls.

John Thorne, Colfax, Texas, received the Rookie Breeder of the Year award. In 1982 Thorne began building a small herd of fullblood and purebred Pinzgauer cattle. He now has five fullblood females, a fullblood bull calf, and two purebred females.

Dr. Randall Grooms, Texas Agricultural Extension Service at Overton, Texas, explained the function and importance of beef cattle in the American marketplace. Additionally, Dr. Grooms shared his ideas regarding the need for purebred cattle in the Southwest cattle herds. He emphasized the purebred cattle operations can and should be financially profitable. Dr. Grooms stated that if a rancher is to be successful, the following three elements must be present: Profit, Performance, and Pleasure.

Longtime Pinzgauer breeders, along with ranchers new to the breed, and guests discussed the impact of Pinzgauer cattle on the beef cattle industry and view a large number of cattle on exhibit for the event.

The traditional covered dish luncheon was one of the highlights of the activities.

SOME IDEA of inflation comes from seeing a youngster get his first job and a salary you dreamed of as the culmination of your career.

Southwest Pinzgauer Elects New Officers

The Southwest Pinzgauer Association elected officers for 1983-84 at their annual field day on May 14, 1983, at Athens, Texas.

Woodie Talbot, Hi Point Ranch at New Boston, Texas, was elected President. Ma. Talbot has long been active in raising and promoting Pinzgauers and has had several prize-winning animals in local and national shows.

Morie Hooper, Kiwi Ranch, at Tyler, Texas, was elected secretary-treasurer. Ma. Hooper has actively supported the SWPA through her efforts with the East Texas Fair exhibits and show and the annual SWPA field day.

New directors elected included: Deva Dove, Colfax, TX; Bob Sullivan, College Station & B.J. Cooper, Mead, OK.

Regional Pinzgauer Show at East Texas Fair, Tyler in 1983

In October of 1983, shortly after the East Texas Fair, Bob Sullivan, President, S.W.P.A., mailed a questionnaire to all breeders and exhibitors who participated in the 1982 S.W.P.A. Show. He received a response from a majority of the exhibitors and breeders and these were invariably strongly positive regarding the Show and Pinzgauer Exhibit.

The S.W.P.A. Executive Committee has tentatively arranged with the East Texas Fair to present the S.W.P.A. Regional Show and Exhibit in 1983 with a format similar to that which was felt to be so successful in 1982. The Show Committee will be appointed at the May Membership and Board of Directors Meeting to be held in Athens, Texas. Sullivan asked that all prospective exhibitors begin to select and fit their animals now for this first major show of the 1983-84 winter circuit.

Pinzbah's To Be At Brahman Clinic

Dan Scott, president of the American Pinzbah Association announced that two pens of F1 Brahman-Pinzgauer heifers will be on display at the annual Brahman Clinic IX to be held August 10-13 in Rosenberg, TX.

Scott said that "this show and sale will be a show case event to present Brahman-Pinzgauer crosses to the public as they are the foundation for our Pinzbah breed."

Ma. Woodie Talbot of New Boston, TX, is the new president of the Southwest Pinzgauer Association. Ma. Talbot is a very successful Pinzgauer breeder and has won several shows including a reserve grand champion bull at the National Western Stock Show.

'83 S.W.P.A. Premier Show and Exhibit Set

Plans for the '83 S.W.P.A. Premier Show and Exhibit have been finalized with the East Texas Fair Board for September 25th through September 28, 1983. Arrangements include a premium barn lot, unlimited exhibit animal space, additional show classes to include cow/calf performance, get of sire and showmanship.

The S.W.P.A. Show Committee urges all interested Pinzgauer and Pinzbah breeders to select and begin fitting soy good show prospects now. Details will be discussed at the S.W.P.A. Meeting May 14th in Athens, Texas.

American Pinzbah Hold First Meeting

The American Pinzbah Association held their first meeting at a dinner meeting.

SWPA Encourages Youth Participation

In an effort to encourage youth participation in the raising of Pinzgauer cattle, the SWPA will provide \$100 to any youth who wins a local event with a Pinzgauer male or female. Local breeders are encouraged to work with the area youth in selecting and financing a Pinzgauer animal.

Pinzgauer Assn. Elects Publicity Committee

The Southwest Pinzgauer Association, at its annual meeting on May 14, selected John and Carolyn Thorne chairpersons of the SWPA Publicity Committee. Also selected were: B. J. and Mary Cooper, Oklahoma reporters; Jerry Dunn, Arkansas reporter; and Matt Fries, Pinzbah reporter.

The primary responsibility of this committee is to gather and provide Pinzgauer news to the Weekly Livestock Reporter. In addition, the committee will assist the SWPA members in developing articles for local publications.

The Pinzgauer Publicity Committee urges all breeders to send articles and photographs to the Committee to be forwarded to the Weekly Livestock Reporter for publication. The committee's main goal is to reflect to the general public the quality and success of the Pinzgauer cattle and breed in the Southwest and to encourage other breeders to consider the benefits they would receive from the integration of Pinzgauers into their herds.

John and Carolyn need the information by Monday of the second week in each month. Articles can be sent in outline form or ready to print to: John M. Thorne, 1508 Charleston, Garland, TX. 75041, or call 214-278-9738.

Gala Celebrations, Horizons Conference Mark Angus Centennial

The American Angus Association will be host to Angus breeders from throughout the United States and many parts of the world September 18 and 19 at the organization's official 100th birthday celebration in St. Joseph, Mo., reports Dick Spader, executive vice president. Some 1,500 people are expected to attend.

The program includes tours of the Association's national headquarters on Friday afternoon, Sept. 18, followed by a stonk barbecue and LeRoy Vee Dyke cocktail that evening in a large circuit tent in back of the Association headquarters.

Saturday will be the Angus Horizons Conference with outstanding guest speakers, a special audio-visual presentation and other ceremonies. The conference program will be designed, Spader said, to give Angus breeders a review of the past, an overview of current conditions in the industry, and a look into the future, to help Angus producers plan more effectively to meet the needs of the cattle industry at the close of the 20th Century and beyond.

Guest speakers at the Horizons Conference will be Dr. Robert Long, Texas Tech University, who will look into the future and give a preview of the cattle industry in the years ahead.

Oliver Hansen, president of the Liberty Trust and Savings Bank, and a registered Angus cattle breeder from Durand, Iowa, will offer a banker's view of the challenges economy and how it will affect the cattle business.

How to use genetics and evaluate the records to design a profitable breeding program will be outlined by Dr. Danny Fox of Cornell University. The business end of the beef industry - cattle feeding, will be discussed by Dr. Robert Hillier, general manager of Master Feeders II of Garden City, Kansas. A challenge to registered Angus cattle breeders will be issued by Dave Plaster, manager partner of Black Bull Cattle Co., Benton, Mississippi.

The program will conclude with a gala banquet and ball Saturday evening, Sept. 19 at St. Joseph's Hotel Country Club. All people interested in the cattle business are invited to attend the celebration and conference. Room reservations in St. Joseph for these two nights (Sept. 18-19) must be made through the American Angus Association, and a \$25 room deposit is required. Advance registration for the Conference is also advised. The registration fee prior to August 1 is \$50. For information and registration blanks people should contact the Association, 818/288-8101.

Another activity at the 100th Anniversary celebration will be a meeting of the World Aberdeen-Angus Secretariat. This will bring together leaders of other Angus associations and societies from all over the world.

Texas Angus, Brahman And Hereford Set F1 Field Day, June 18

The towns of Graham has been chosen as the site for the joint F1 field day with the Texas Angus, Brahman and Hereford Associations, in cooperation with the American Brahman Breeders Association. The field day will take place on Saturday, June 18 in the Young County 4-H Barn at Graham, Fireman's Park.

Hest Zech Burkett of Burkett Enterprises of Graham, TX will give the welcoming remarks and the introduction of the morning's on-site Bill Hall of the Texas Angus Association of Ft. Worth, TX. The morning program will be underway after registration at 9:00 a.m. on June 18.

At 10:00 a.m. Dr. Steve Hommach, Area Livestock Specialist, Texas Agricultural Extension Service, Stephenville, will discuss the complementary of the Angus, Brahman, and Hereford breeds. Jim Williams of the V8 Ranch, Hungerford, will point out the selection process needed for the ideal commercial Brahman bull in a crossbreeding operation.

Prior to lunch, ABBA's Assistant Executive Vice-President Leo Pritchard will give a detailed report on the Certification of F1 Brahman Hybrid

Females Program and its tremendous growth since its beginnings in 1979. The program has laid the foundation for numerous F1 field days.

The afternoon program will begin at 2:00 p.m. with a presentation by the president-elect of the Texas Hereford Association, Brodeurharg, of Stanton. John Joyce of the Saaberg Ranch, Bollog, will speak on the guidelines for the ideal F1 program.

Jim Brown, president of the Texas Brahman Association, and author of articles on the small purebred breeder, will discuss the marketability of the F1 Brahman steers and heifers. Brown operates the River Oaks Brahman Ranch and is a F1 Brahman hybrid breeder. Tad Burkett of Archer City, TX will point out why leaders prefer F1's. Burkett is affiliated with the West Texas Feedyards.

A discussion of the Burkett Ranch F1 program by Brenda Risher, Cattle Operations, Burkett Enterprises, will conclude the F1 field day program. For more details, contact ABBA, 1318 Le Compeche Lane, Houston, TX; 77054, or call (713) 795-4444 or call Brenda Risher, (517) 549-9455.

Stuph & Thangs (CONT. FROM PAGE 1A)

enough to bill the rancher for the feed. In these cases they usually ate the feed bill, figuring if they killed the cowman he might catch the next train for Cowtown and shoot somebody.

This week the publication of USDA called Farm Paper Letter presented this article and we thought some of you other Old Timers might like to recall those times and regale some of your young ones with what tough really was. Here it is:

The Way Grandpa Remembers It, the Depression was at its worst in 1933. And in many ways it was. But in other ways, it was a year that farmers were recovering.

Wheat, for example, was selling for 14 1/2 cents a bushel. Not too much, but cents average farmers received in 1932. Same thing for other grains. Corn, at only 9 1/2 cents in 1932, was up to 62 cents in 1933. Rye brought an average

of 82.7 cents a bushel, up from 1932's all-time record low average of 28 cents. Oats brought an average of 88 1/2 cents per bushel, more than double 1932's 15.7 cents. Some for barley, which brought 42.4 cents per bu., up from 1932's record low 22 cent average. Cotton brought 10 cents per lb., up from the 5.7 cents of 1931 and 1932's 9 1/2 cents. Tobacco was up to 19 cents. It had been 9 cents in 1931 and 10 1/2 cents in 1932.

Peanuts brought 2.95 cents per pound, well above the 1.55 cents per pound average of 1932. Soybeans were bringing 94 cents per bushel, also well above 1932's 54 cents per bushel average. Flaxseed was at \$1.93 per bushel. Nearly double 1932's 98 cents average.

Hay was up to \$8.09 per ton. It had been \$6.20 in 1932 (and the worst would come with 1933's \$1.20 per ton average). Of course, things got worse in some sections. Cattle averaged \$25.39 per head in 1932, but only \$15.74 in 1933 and \$17.79 per head in 1934. Hogs averaged \$9.19 per head in 1932, but only \$4.21 in 1933 and \$4.09 in 1934. The price of stock sheep fell to \$2.91 per head in 1933, the lowest since 1887's

\$1.94 per head. Dairy cows averaged \$29.18 per head in 1933, the lowest since 1937. Milk prices, at \$1.24 per hundredweight in 1933, milk retailed by farmers brought an average of 8.9 cents a quart in 1933, but only 9.9 cents in 1933 — a record low.

Horses were valued at \$53.48 per head in 1932 and \$54.12 a year later, the lowest since 1900 (they always brought more than horses).

Farm chickens were valued at 45 cents each in 1933 — the lowest since 1912's 42 cents — a record low. 9 1/2 cents (live weight) per pound for their chickens in 1933 — a record low. Eggs, which brought farmers an average of 29.8 cents per dozen in 1932, record low 13.8 cent average in 1933.

In those Good Old Days it was not unusual for us kids to have a hamburger joint to have a special, three for 25 cents. Our problem was it usually took four or five of us to pool our resources to raise that Quarter! We was all pretty happy in spite of the fact we was all pore so church mice. What saved us was

Memorial Classic Red Brangus Sale, May 28

The Third Annual Memorial Classic Red Brangus Sale, hosted by the East Texas Red Brangus Organization, will feature a predominantly female production sale on Saturday, May 28, 1983 at the Rusk County Agricultural Building in Henderson, Texas.

A record number of 80 consignors will offer top selections from their Red Brangus herds, including 81 open heifers, 9 bred heifers, 30 three-in-one packages, along with pairs, bred cows and 8 bulls.

A screening committee has inspected each animal consigned to the sale assuring only top quality will be offered.

Charlie Parker, president of the East Texas Organization stated "We placed emphasis this year on heavy screening to assure registered breeders wishing to expand their herds or new breeders desiring to enter the Red Brangus

It is the duty of every individual to make himself a tiny fragment of good influence on the right side of this eternal tug-of-war, progress one way and chaos the other.

Austin — The 1983 Texas wheat crop is down 2% from last year, according to a report from the Texas Agricultural Experiment Station, based on May 1 conditions. The report, which is the first in a series of forecasts at 141 million bushels, is based on data from the Texas Crop and Livestock Reporting Service, harvested in May. The report says that the 1983 wheat crop is down 2% from last year, based on May 1 conditions. The report also says that the 1983 wheat crop is down 2% from last year, based on May 1 conditions.

However, State Statistician Murfield reported that yield per acre for 1993 are excellent, with statewide yield forecast at 30 bushels per acre. This is up 6 bushels per acre and ties the previous record yield set in 1979.

Molestur conditions have been favorable for the fall-crop. The stands across the state have been doing excellent growth under the weather.

Kopper Penny Polled Herefords To Disperse

John Pierce, owner of the Kopper Penny Ranch, announced recently the complete dispersal of his Polled Hereford cow herd. The Kopper Penny Ranch is located four miles south of Cooper, Tex., in Delta County.

The sale will be held on September 5, 1983, Labor Day, at the ranch beginning at 10:00 a.m. Texas Polled Hereford Association will be the sale manager, with Jim Birdwell the auctioneer.

Over 260 head of top Polled Hereford mother cows, calves, and heifers will be offered for sale. The Kopper Penny Ranch has been a leader in performance tested bulls in the Northeast Texas area for some time. Bulls from this cowherd have been test leaders at Oklahoma Beef, Inc. and the Kilgore Bull Test Station.

Hard bulls and some herd bull prospects will be offered for sale in the dispersal.

Many of the cows offered in the sale will be bred to the Polled National class winner, "Beartooth Breakthrough," of which Kopper Penny Ranch is a part owner.

For information on the sale, contact John Pierce in Cooper, Tex., or the Texas Polled Hereford Association, Rio Vista, Tex., 317/873-2624 or 373-2625. Catalogue will be available August 1st, 1983.

Brangus Breeder Announces Braler Cattle Venture

Dr. Richard E. Leigh of Thelidick Brangus Farms today announced a joint venture with L.F. McCollum of Scattered Oaks Ranch at Bleiberville, Texas in which Thelidick Brangus Farms will use their commercial herd as recipient cows for Braler embryos. The resulting calves will be used as foundation cattle in the development of the new breed of Braler Cattle (8/8 Brahman-5/8 Saler). Embryo transplants will be performed at the transplant facilities at both Thelidick Brangus Farms and at Scattered Oaks Ranch.

Dr. Leigh, a pioneer Brangus Breeder, states that he is extremely enthusiastic regarding the new Braler Breed as an opportunity to develop a breed of cattle that will improve red cattle just as the Brangus Breed has improved black cattle. Dr. Leigh also notes that the quality of the foundation cattle being used, both Brahman and Saler, is far higher than the quality of the foundation cattle available to the early Brangus breeder. Current foundation cattle being used include recent Champions of both the Brahman and the Saler breeds. Both the Brahman and the Saler breeds and the Red Brahman cattle derived from the 1946 Importation of Indu-Brazil type Brahman will offer the cowman a totally new gene pool which will further enhance the hybrid vigor of crossbreeding. The cold hardiness of the Saler Breed and the heat tolerance of the Brahman Breed will combine to form the new Braler Breed which will be able to acclimate to a wide variation of climates. Earlier crosses now on the ground bear out the promise of the Braler Breed being "large framed, trim, well-muscled, fertile cattle."

Anyone with Beafalo cattle registered in the Beafalo Registry of the American Beafalo Association, the World Beafalo Association or International Beafalo Breeders Registry are invited to participate in these shows. All animals shown must be 1/4 blood Beafalo or higher. There will be five classes of breeding females and one class of breeding males.

Tom Martin, Richardson, Texas, will be Superintendent of the Beafalo show. For information on these shows please contact Roger Powell, President, Southwestern Beafalo Association, Rt. 3 Box 80, Frisco, Texas 76034, Ph. (214) 377-2318 or Tom Martin, 1320 Chayansa Dr., Richardson, Texas 75080, Ph. (214) 281-1511.

Powell outlined plans for the Beafalo shows to be held in August in Denton and Greenville, Texas and extended an invitation to all Texas-Oklahoma Beafalo members to participate in the shows. Martin spoke to the membership of the Texas-Oklahoma Beafalo Association on unification with the Southwestern Beafalo Assn., Inc. Martin also encouraged joint membership meeting and field days along with participation in Beafalo shows.

It was reported from both organizations that members are hopeful that the three national Beafalo Breed registries will unify in the next few months. Members of the Texas Oklahoma Beafalo Association voted to hold a joint membership meeting with the Southwestern Beafalo Association, Inc. in Mid-September at Durant, Oklahoma. More information on this joint meeting will be available at a later date.
